This project is funded by the Language Fund and supported by the Standing Committee on Language Education and Research (SCOLAR) to help ethnic minority residents in Hong Kong integrate into the community by enhancing NCS school leavers' capability in listening, speaking, reading and writing in Chinese and helping them obtain qualifications recognized by Hong Kong Qualifications Framework so as to enhance their employability.

To make good use of the resources so that more eligible non-Chinese speakers can benefit from this project, applicants are required to make the following declaration:

1. I am over 15 years old.
2. I am not studying any full-time programme currently.
3. I have no or very limited ability in speaking Cantonese.
4. I have never been reimbursed for any vocational Chinese courses at QF Level 1 funded by the Language Fund in any organizations. If I have, I cannot apply for the subsidy in this programme.

I declare that the information given above is true and accurate as long as I am still enrolled in “Foundation Certificate in Vocational Chinese Language for NCS School Leavers (Listening and Speaking)”. I would report if the circumstances change.

I understand that if I willfully give any false information or withhold any materials information in this declaration, it will render me liable to dismissal by the School.
