Testimonials

"Studying the MMU LLB at HKU SPACE is the best pathway to the PCLL. Not only does it save you the hassle of taking extra PCLL Conversion exams, but you'll also get to meet the PCLL tutors who teach on the MMU LLB and be so much better prepared for the PCLL as a result."

Jasmin Chan was admitted to the PCLL full-time programme at HKU from this LLB and is now a Qualified Solicitor of Hong Kong.

"HKU SPACE is the only institution that provides an LLB which is accepted by the PCEA as an exemption from so many PCLL Conversion Exams. That's why, although I started my law studies at another institution, I switched to HKU SPACE for the MMU LLB. What I really like about the MMU LLB is the teaching by lecturers from the HKU PCLL, since this gives us really great preparation for the PCLL."

Former Top Student Jeanne Wong

"Studying the MMU LLB gave me the best training in legal and research skills as well as practical insights into the legal industry. Motivation was the key to my good results. It's very important to plan ahead and set a study schedule that fits your learning style. And of course, be sure to reward yourself by taking plenty of breaks during your studies."

Candy Chu, recipient of award for top-scoring student from 2019-21.

"The MMU LLB is absolutely crucial if you want to practice as a lawyer in Australia." - Wade Ho is qualifying as a lawyer in Melbourne after completing the MMU LLB. Find out more at: <https://hkuspace.hku.hk/sharing/crucial>
