Certificate for Module (Aircraft Acquisition Management)
Programme Code: IT100A

Application Code: 2045-IT100A NEW

2975 5678 angel.cya.chow@hkuspace.hku.hk

The programme provides an overview of the process used in acquiring (through sale and/or lease) commercial aircraft. Guided role play and documentation exercise will be carried out so that theoretical concepts could be brought into practice.

R Applicants shall hold:
(i) a bachelor's degree awarded by a recognized institution and at least 2 years of aircraft acquisition project management experience; or
(ii) a professional qualification related to aviation industry
If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency, such as:
i. an overall band of 6.0 or above with no subtests lower than 5.5 in IELTS; or
ii. a score of 550 or above in the paper-based TOEFL, or a score of 213 or above in the computer-based TOEFL, or a core of 80 or above in the internet-based TOEFL; or
iii. HKDSE Examination English Language at Level 3 or above; or
iv. HKALE Use of English at Grade E or above; or
v. equivalent qualifications.
Applicants not meeting the standard set of criteria for admission will be assessed on individual merit.

Postgraduate Certificate in Aviation and Big Data Applications
Programme Code: IT103A

Application Code: 2055-IT103A

3762 0051 / 2587 3232 d.chau@hkuspace.hku.hk / eddy.che.mak@hkuspace.hku.hk

The programme is designed for aviation practitioners who possess working experience in the aviation industry and would like to learn the latest knowledge and skills of big data applications in the aviation environment. The programme would cover the basic concept and application of big data analysis, and its best practice to support the aviation business decision making. Students will also learn the importance of data organisation, the relevant privacy and ethics requirements of data application.

R Applicants shall hold:
(i) a bachelor's degree in any discipline awarded by a recognised institution and one year of full-time work experience in the aviation industry; or
(ii) a professional qualification* and two years of full-time work experience related to the aviation industry.
If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency, such as:
- an overall band of 6.0 or above with no subtests lower than 5.5 in IELTS; or
- a score of 550 or above in the paper-based TOEFL, or a score of 213 or above in the computer-based TOEFL, or a core of 80 or above in the internet-based TOEFL; or
- HKDSE Examination English Language at Level 3 or above; or
- HKALE Use of English at Grade E or above; or
- equivalent qualifications.

Applicants with other qualifications will be considered on individual merit.
Applicants may be invited to attend an admission interview if required.

* Professional qualifications may include an Advanced Airport Operations Diploma conferred by the International Air Transport Association or completion of the professional training programmes organised by the International Civil Aviation Organisation (e.g. Aviation Data-driven Decision Making programme).
