← Direct articulation path ← Eligible to apply

* HKU SPACE offers Preparatory Course to provide tuition support to students studying the University of London's Global MBA. The University of London will offer 40% entrance Scholarship to new students successfully admitted to the GMBA programme via HKU SPACE.

Applicants holding HKU SPACE College of Business and Finance's Postgraduate Diploma are eligible to apply for GMBA credit exemptions.

For course details, please refer to P.104.

Preparatory Courses for University of London (Queen Mary) Global MBA

Application Code: 2065-SC486A

2867 8318

ice.hkupspace.hku.hk / kelly.wong@hkupspace.hku.hk

English

The preparatory courses aim to provide face-to-face tuition support to students for studying the Global MBA, University of London (UoL).

The programme provides students with an opportunity to develop and apply specialised knowledge relevant to the contemporary business world. Specialisms which include Entrepreneurship and Innovation, and Leadership are offered as electives.

R HKU PACE Preparatory Courses requirement:

Be a current student of the University of London (Queen Mary) Global MBA programme
University of London Global MBA Requirement:

For direct access (Entry Route 1), students will need the following:

- A second-class honours bachelor degree or equivalent from an acceptable institution.
- Three years' work experience in a managerial role (within the past five years).

For students' application to be considered, students must have one of the following:

- A second-class honours bachelor's degree in a relevant field or equivalent from an acceptable institution; or
- Three years' work experience in a managerial role (within the past five years).

UoL accept qualifications from around the world. If students have an appropriate professional award rather than a degree, UoL will consider this on an individual basis. If students meet only one of these requirements, students can apply to join the programme via Entry Route 2.

\$ HK\$17,600 per Certificate for Module (You will also need to budget for Course Fee for University of London for details london.ac.uk/courses/global-mba).
For CEF reimbursement, each Certificate for Module consists of two modules of GMBA except Strategic Project.

D 2 years (minimum) - 5 years (maximum)

Certificate for Module (Storytelling with Data for Impactful Presentation)

Programme Code: MS150A

2867 8318

ice@hkuspace.hku.hk / kelly.wong@hkuspace.hku.hk

In today's era, data analytics is one of core pillars in every business, business executives must excel in navigating and managing data, but not many of them equipped with the ability to communicate the business insight effectively to the senior management. As business executives, it's too easy to generate tables, charts, graphs, and dashboard. The more information students have, the more difficult for them to filter out the most important information to support their recommendation. In this course, the students will not only learn the techniques, but also the effective strategies to master their data in an impactful way.

Programme contents:

- Introduction to Data and Analytics for Business Strategy and Storytelling
- Use of Visuals
- Design Principle of Data Visualization
- Storyboarding and Storytelling with Data Visualisation
- Dashboard Design and Implementation
- Analytics Presentation Skills
- Ethical Use of Data Visuals
- Practicing and Putting All it Together

R - Applicants shall hold an Associate Degree / a Higher Diploma or equivalent and have at least 2 years of work experience.
- Applicants with other qualifications will be considered on individual merit.

Executive Workshop Series - Using the LEGO® SERIOUS PLAY® Materials and Methodology

LEGO® SERIOUS PLAY® methodology enables three modes of communication: visual, auditory and kinaesthetic. LEGO® SERIOUS PLAY® facilitates the participants to communicate visually through a storytelling model while using the colorful bricks. In a less formal or "play" mode, the participants can share, discuss and innovate their ideas visually on organizational strategy or any issues on hand for business results.

We also offer customised corporate training workshop using LEGO® SERIOUS PLAY® materials and methodology. You are most welcome to contact us at 2867 8318 for details.

More details

Executive Workshop

“Creativity Training Using the LEGO® SERIOUS PLAY® Materials and Methodology”

Programme Code: MGNT9338

2867 8318

ice@hkuspace.hku.hk / kelly.wong@hkuspace.hku.hk

LEGO® SERIOUS PLAY® methodology is an innovative tool to help generate ideas. This workshop is designed for anyone who needs some guidance on developing an idea or taking an existing idea to the next level. The four-phase LEGO® Serious Play® methodology will guide participants in a state of flow through a series of structured steps to think, to build, to tell a story, and to reflect and refine, and to develop a deeper understanding on the issue at hand.

Who should attend:

Team Leaders from all disciplines and levels who need:

- To generate ideas;
- To address challenges that cannot be addressed by conventional thinking alone;
- To improve creative thinking - unleashing personal creativity and that of others;
- To augment strong logical thinking skills with the ability to think creatively; and
- To add to existing management or leadership development programmes.
