The programme intends to develop frontline health professionals' clinical competency on understanding and management of health and drug issues in elderly people. The programme content aims to enhance the understanding of the management

**Advanced Certificate in Exercise Rehabilitation and Nutrition Therapy for Sports Injuries**

Programme Code: HS190A

Application Code: 2370-HS190A

📞 3762 0833

✉️ timothy.yeung@hkuspace.hku.hk

Treatment of sports injuries at the right time with proper technique, equipment and diet are crucial for full recovery. The combination of nutrition and physical therapies is essential to promote optimal outcomes. This programme aims to provide knowledge and skills in the areas of exercise rehabilitation and nutrition therapy for those who are interested in the treatment of sports and exercise injuries, such as athletes, personal trainers, coaches, nutritionists, dietitians and other health professionals. In addition to the basic principles of exercise rehabilitation and nutrition therapy, cutting-edge scientific based strategies and practical skills for injury recovery will also be covered.
