共創未來： 助力大灣區 人力資本 發展

FORGING THE FUTURE: CONTRIBUTING TO HUMAN CAPITAL DEVELOPMENT IN THE GBA

為配合香港大學推動終身學習和大灣區人才培養的願景，香港大學專業進修學院積極擔任重要角色，將「促進大灣區人力資本發展」納入為學院2025-2030策略發展的重要方向，透過提供優質跨境教育及培訓機會以支援大灣區人士，為大灣區的教育發展及人力資本作出貢獻。

除了為大灣區人士設計專屬網頁外，學院亦成立了內地事務處以服務內地人士，並於新界北區設立上水教學中心，便利他們來港上課或參加工作坊和研討會，作為實踐發展大灣區學務的重要舉措。

Aligned with the University of Hong Kong's commitment to advancing lifelong learning and cultivating talent within the Greater Bay Area (GBA), HKU SPACE has actively engaged in "Contributing to Human Capital Development in the GBA" as a primary focus of the School's Strategic Plan for 2025-2030. HKU SPACE will play a pivotal role in bolstering educational progress and human capital within the GBA by delivering high-quality cross-boundary education and training opportunities tailored to the needs of participants from the region.

In addition to launching a dedicated website for participants from the GBA, the School has established a Mainland Affairs Office internally to cater to Mainland residents and has inaugurated the Sheung Shui Learning Centre in the North District of the New Territories. These initiatives aim to facilitate their participation in classes, workshops, and seminars in Hong Kong, underscoring a significant step towards enhancing the teaching and learning services in the GBA.

大灣區發展策略

特區政府積極推動香港及大灣區高等教育的更緊密合作，有見及此，學院在2025-2030策略發展中，將「促進大灣區人力資本發展」列為重要策略之一，旨在提升區內人才質素和競爭力，從而推動大灣區的經濟發展與融合。

為體現這一承諾，學院設計了專屬網頁，整合最新課程及活動資訊，讓新界北及大灣區人士隨時隨地獲取最新資訊，輕鬆規劃進修之路。此外，學院在2024年8月成立了內地事務處，致力加強轄下三所學院、附屬學院及國際學院與中國內地各院校、企業和個人之間的緊密聯繫，推動終身學習，協助人才培訓，以及促進區內學術發展、知識轉移及產業化。

2025年4月，學院與西北工業大學繼續教育學院簽署了《合作意向備忘錄》，建立夥伴關係，首個合作項目為「基礎專上教育文憑（線上學習模式）」。雙方將充分發揮各自優勢，結合理論學習與產業實踐，重點建立「雲端課堂+實踐基地」的融合培養模式，為內地學子提供貫通式升學通道，並為一帶一路建設提供強而有力的人才支援。

全新教學中心落戶上水

作為香港歷史最悠久的持續教育機構，學院不斷投放資源用以擴展教學網絡，繼一所位於九龍灣區的新教學中心投入服務後，更在新界北區設立了上水教學中心，並於今年5月中正式啓用，為來自內地的人士提供創新教育服務，亦為學院連結大灣區高等教育樹立了里程碑。

新上水分校是學院設於新界區的首個教學中心，地理優越，毗鄰上水港鐵站，距離羅湖及落馬洲僅20分鐘路程，為來自內地的人士帶來很大的交通便利，貫徹學院多年來「把課室帶到學生中去」的辦學理念，實踐把教育帶進社區的專業使命。

新上水分校總樓面面積近二萬平方呎，設計結合了木質條紋、多色地毯和綠化元素，營造出多元、現代、舒適且極富活力的學習環境。中心設有6間研討室、共享空間和電腦室等，支援面授和遙距教學。部分研討室除可用作一般教學及活動用途外，更能兼容各類課程及活動如舞蹈、瑜伽、音樂、電腦及餐飲等，空間靈活性甚高，達致地盡其用的目的。新分校設備先進完善，為新界北及內地人士提供了理想的學習環境。

Greater Bay Area development strategies

Given the HKSAR Government's proactive drive towards promoting closer collaboration between higher education institutions in Hong Kong and the GBA, the School has identified "Contributing to Human Capital Development in the GBA" as a key strategy in its 2025-2030 Strategic Plan. This initiative aims to elevate the quality and competitiveness of human resources in the region, thereby catalysing economic growth and integration within the GBA.

In a demonstration of this commitment, the School has built a dedicated website to centralise the latest information on programmes and activities. This platform enables individuals in the North District and the GBA to access up-to-date information anytime, anywhere, facilitating easy planning for further studies. Moreover, the establishment of the Mainland Affairs Office in August 2024 has reinforced connections among the three Colleges, the Community College and the International College of the School, as well as institutions, enterprises, and individuals in Mainland China. This initiative aims to advance lifelong learning, support human resources development, and facilitate academic growth, knowledge exchange and industrialisation in the region.

In April 2025, the School formalised a Memorandum of Understanding with the School of Continuing Education of Northwestern Polytechnical University (NPU) to forge a partnership. The inaugural collaborative project, Diploma in Foundation Studies (E-learning Mode), will leverage the strengths of both institutions to blend

theoretical education with hands-on practice. This partnership will focus on establishing an integrated training model termed "Cloud Classroom + Practice Base", offering Mainland students a coherent pathway for further studies and robust talent reinforcement for the Belt and Road Initiative.

New Learning Centre in Sheung Shui

As the first provider of continuing education in Hong Kong, HKU SPACE continues to invest in broadening its teaching network. Following the establishment of a new centre in Kowloon Bay, the School has inaugurated a new learning centre in Sheung Shui, located in the North District of the New Territories. This centre commenced operations in mid-May this year, offering innovative educational services to Mainland participants and marking a milestone for the School in building connections with higher education institutions in the GBA.

The Sheung Shui campus represents the School's first learning centre in the New Territories. Strategically positioned adjacent to the Sheung Shui MTR station and a mere 20-minute journey from Lo Wu and Lok Ma Chau, the campus provides exceptional convenience to participants from the Mainland. This development adheres to the School's motto of "bringing classes to the students" and its professional mission of extending educational opportunity into the community.

Spanning almost 20,000 square feet, the new Sheung Shui campus boasts a design that blends wood accents, vibrant

carpets, and greenery to create a diverse, contemporary, comfortable, and dynamic learning ambience. The Centre features six seminar rooms, a common area, and one computer room to support both face-to-face and distance learning. Several seminar rooms are versatile spaces suitable for a range of teaching and activities including dance, yoga, music, computer skills, and culinary arts. The adaptable layout maximises space utility, ensuring optimal usage. Well-equipped and thoughtfully designed, the new campus offers an ideal learning environment for participants from the North District and the Mainland.

為內地人士打造學習機會

為回應大灣區人士的多元學習需求，學院特別推出一系列在港學習的課程和活動，包括全日制深造文憑（研究生文憑）、工作坊／研討會及網上課程，提供融合本地與國際視野的豐富學習體驗，幫助內地人士推進事業發展及提升生活品質。

深造文憑（研究生文憑）課程提供理論與實戰培訓，幫助內地人士掌握行業所需技能，以提升職場競爭力，課程如下：

Creating learning opportunities for Mainland participants

To cater to the diverse learning requirements of individuals in the GBA, the School is introducing a range of learning programmes and activities in Hong Kong. These offerings encompass full-time Postgraduate Diploma programmes, workshops/seminars, and online courses tailored for both Hong Kong and Mainland participants. The aim is to provide a stimulating learning environment that combines local and international perspectives, assisting participants in advancing their careers and enhancing their quality of life.

This year's Annual School Concert, titled "The Joys of Spring", took place on 10 April at the College Theatre of HKU SPACE Community College. The concert was a vibrant success with over 300 attendees.

The concert commenced with a fabulous performance by piano virtuoso and guest lecturer Huang Naiwei, who enchanted the audience with classic pieces like "Merry Christmas, Mr Lawrence" and "Swanee". Following this, Ms Natalie Ho, an alumna of HKU SPACE and a member of the emerging girl group STRAYZ, brought a fresh breeze with pop songs such as "Byebye Byebye Byebye Byebye..." and "You Gotta Screw Up At Least Once".

The stage then welcomed Ma Wai-him (Didaboy), principal suona and guan player of the Hong Kong Chinese Orchestra, collaborating with guitarist Ron Ng and bass player Vinc Chan to present captivating performances of "Sing sing sing" and "Spain", showcasing their virtuosity and innovative musical blends, leaving the audience awestruck.

The event was graced by the presence of Mr Au and his family, Professor William K.M. Lee, Director of HKU SPACE, and Professor William Leung, Chairman of the HKU SPACE Foundation, who officiated the ceremony.

During the ceremony, Professor Lee expressed heartfelt gratitude to Mr Au: "Mr Au has consistently shown generous support to the School. In addition to this naming honour, he has made numerous donations and provided invaluable advice to the School through serving as the Chairman of the Fundraising Sub-committee and

President of the HKU SPACE ALUMNI. In recognition of his contributions, Mr Au was honoured as an Honorary Fellow in 2018. We are immensely grateful for his tireless support and generosity." Professor Leung also acknowledged that Mr Au's contributions have alleviated significant financial burdens for many exceptional students, enabling them to achieve their full academic potential and prepare for even greater successes in the future. Mr Au, in turn, expressed his appreciation to the School for having the Student Common Room named after him, stating: "I cherish the remarkable opportunities to contribute to HKU SPACE and hope that my donation inspires each of you to give in whatever way you can, fostering a culture of generosity that strengthens our community."

感恩同行：致敬長期服務員工 Recognising Long-Serving Staff

團隊是學院的力量，員工是成功的關鍵。在學院的發展歷程中，每一位教職員都扮演了不可或缺的角色。他們以無私的奉獻精神和專業的服務態度，持續推動學院的成長與創新，並在高等教育領域中樹立了卓越的標杆。為嘉許長期服務的員工，學院特別於6月12日在保良局何鴻樂社區書院 (HPSHCC) 禮堂舉辦2025年長期服務獎頒獎典禮，以表揚他們的寶貴貢獻和付出。

Teamwork stands as the backbone of our success, and our staff are pivotal to our achievements. Each member of HKU SPACE has played an essential role in the School's growth. Through their unwavering commitment and professionalism, they have been instrumental in propelling the School forward, fostering innovation, and setting high standards in higher education. To honour their long-standing dedication, the School hosted the 2025 Long Service Award Ceremony on 12 June in the College Hall at the HPSHCC Campus.

This year, a total of 69 colleagues marked milestones of 10, 15, 20, or 25 years of service to the School. Given the School's greater management role in the future operation of HPSHCC, this marked the first time the School collaborated with HPSHCC to organise the ceremony. Professor Ian Holliday, Chairman of the Board of Directors of the HKU SPACE and Pro-Vice Chancellor (Teaching and Learning) of HKU, along

with Professor William K.M. Lee, Director of HKU SPACE and Principal of HPSHCC, delivered opening addresses, followed by the presentation of Long Service Awards and speeches of appreciation by representatives of the awardees.

今年共有69位同事為學院服務滿10年、15年、20年或25年。由於學院在HPSHCC的營運上將當更重大管理角色，這次典禮是學院首次與HPSHCC共同舉辦，由學院董事局主席及香港大學副校長（教學）何立仁教授、學院院長及HPSHCC校長李經文教授致開幕辭，接着向得獎者頒發長期服務獎，最後由得獎代表致謝辭為典禮畫上圓滿句號。
